

Discover How the Working Genius Transforms Church Teams

“In His grace, God has given different gifts for doing certain things well...” – Romans 12:6 (NLT)

Many pastors and church teams struggle with productivity, burnout, and team cohesion. The **Working Genius Assessment** is a powerful tool that helps churches understand how God designed each person to contribute effectively—removing guilt, building trust, and unlocking greater impact.

Why Working Genius?

- ✓ Removes guilt and judgment around different work styles
- ✓ Increases team trust, effectiveness, and morale
- ✓ Helps with **volunteer recruitment & retention**
- ✓ Supports **hiring, staffing, & leadership development**
- ✓ Strengthens **innovation & change management**

How It Works

As a **Certified Working Genius Facilitator** and **AG Minister**, I guide churches through:

- ✓ **Leader Debrief** - Lead pastors receive a comprehensive coaching session
- ✓ **Working Genius Workshops** – Transform your team with this practical, biblically grounded model.
- ✓ **3-Month Implementation Coaching** – Ensure lasting impact and integration into your ministry.
